REGISTRATION TABLE WILL BE SET UP 1ST CAMP DAY. The second page of this flyer has pre-registration day instructions!

What steps do I take to get registered? Ages 9 and UP. IF ONLY 8, SEE BELOW FOR FREE MEMBERSHIP

1. Go to the [Badger Region Volleyball Website](#) and Click membership then membership options then junior membership options. Go To Click here to get a Sports Engine Account
2. Get a [SportsEngine](#) FREE membership. It has to be under the parents name and the parents email. Make sure that when you sign up for ANY organization that uses SportsEngine in the future you use the same email and register with any clubs in the future using that same ADULTS email. Trust me!! Then you as the parent add your child under your account.
3. Pick the following Badger Region Membership for camp if your child is 9 or over.
 - 21-22 Badger League Junior 17 & Under Player – \$15, this is a four-month membership limited to 24 hours of total participation; a start date must be entered at the time of purchase. This membership is intended for athletes participating in “in-house” developmental programs offered by clubs and cannot be used for competition (ex: tournaments). This membership is NOT upgradeable. {Select “athlete” and “league” in the Sports Engine quizzard.}
 - The start date would be the 1st day of Camp scheduled for Nov. 21st.
 - Keep a digital copy of your child’s Badger Region Membership and we recommend making a paper copy as well.
 - **If your child is 8 or younger you can get a free Badger Membership**
 - [21-22 Badger Junior 8 & Under Player Membership](#) – FREE, allows for participation for those who are 8 years of age or younger during the entire membership season. Not eligible to play in national level events (Qualifiers, JNC, National High Performance teams/camps, etc.)
4. Finally, on the Badger Region Website go to Indoor / Forms / print and fill out the Athlete Parent Concussion agreement and the 21-22 Medical Release Form w/o notary. Bring with your athlete to camp, plus this information below.
