

TEAM PARENT RESPONSIBILITIES

1. **HOTEL ROOMS FOR BADGER REGION TOURNAMENT:** Contact and block off a bank of rooms for your team's parents / families at Badger Region weekend. The tournament is in Milwaukee at the Wisconsin Center. 400 W. Wisconsin Ave. Badger Region's website <https://badgervolleyball.org/events-badger-region-championships/> has had hotel information posted in the past to help. If not, the hotels are all familiar with this process. Let them know you are calling on behalf of a group, looking to work with them to block off and get pricing for a bank of rooms for your athletes weekend tournament. Usually 1 room per player and 1 per coach. Most hotels will give you a price and a "hold through date". Please Disseminate this information to other parents through email or text then it is up to the other parents if they are going to stay or not.
2. **Organize a get together for the athletes.** The younger athletes 12, 13, 14 year olds will probably need some guidance here. In the past some of the team parents for this age group have done a tie dying session of the tryout shirts and then some snacks and games. The goal is to get the girls together to get to know each other without the pressures of a coach and practice. The older girls usually just need a location to get together and maybe some guidance as to where and when this would work out.
3. **Team Photographer:** Before tournament season begins please try and get a team picture. This will be just so we can get it on the website. It does not need to be in uniforms. Once the season starts, please get one in Uniforms. Please send this to Derek Slickman @ trslickman@gmail.com Please put in the email what team (age group) this is for.
4. As the season goes on, please try and get a photo of each player on the team. Please send 5-6 shots post tournament to Derek Slickman @ trslickman@gmail.com . Again please identify the team's age group and at 14's and 15's whether white or blue team. He will be putting these on the website as time allows. Please try to get all your team's players in a picture as the season progresses. Feel free to

post on Facebook and tag Lakeshore Storms Facebook page. Or place directly on Lakeshore Storms Facebook page.

5. **Tournament results.** We just need the record on the day and if you placed, what you placed. Please email with teams info (ie 12 Blues, 5 win- 0 losses 1st place) into Web Guru - trslickman@gmail.com
Ideally, something along these lines would be fantastic!
